

Students are encouraged to purchase books on their own. There are many sources on the internet for these purchases, both used and new. You will want to order in time to have the book for the first class. If you do choose to have Bethel College order your text, you must email Dr. DeBerry (academicdean@bethel-college.com) to inform the college of your decision specifying which books you would like ordered. Bethel College will not order a used book, but will order a new one at the price listed below, which includes a \$10.00 administrative fee per book.
